

TYRRELL'S WINES

SLIM DUSTY

GOLD ALBUM COLLECTION

SLIM DUSTY SINGS

Slim Dusty's debut album 'Slim Dusty Sings' was originally released by EMI Records on vinyl LP back in June, 1960. To commemorate the 50th anniversary of this historic Australian album, Tyrrell's Wines and The Slim Dusty Foundation have combined to celebrate the milestone with the 2010 release of this very special 2009 edition Hunter Semillon and 2007 Hunter Shiraz. Both wines, with cellaring, will further age and develop wonderfully in years to come.

THE SLIM DUSTY FOUNDATION

Part proceeds from the sale of this wine go to The Slim Dusty Foundation Ltd, the organisation established to build and operate a museum known as The Slim Dusty Centre in Slim's home town of Kempsey, NSW.

HUNTER SEMILLON

The great soil moisture from the previous growing season meant that the vineyard saw its best season in many years. The nose shows fresh citrus and floral characters and the palate is dominated by the citrusy lime characters of this 2009 Semillon.

HUNTER SHIRAZ

The best red vintage in the Hunter Valley for nine years has resulted in a deep purple-red colour, aromas of ripe berry fruits and subtle savoury spice. These characters then flow richly onto the palate, with plush sweet fruit balanced by the acid and tannin, resulting in a classic 2007 Hunter Shiraz.
